Westside Renegades

July 18, 2009

Sixty-one shooters participated othe the unbelievably cool day for mid-July. The wonderful weather was not at all related to our "dedication" of **The Church** as a new stage. We said the pledge and a prayer and were ready to shoot.

First the Gallows, then to The Church. These two stages were fun and fast. Third stage was Stagecoach, followed by Saloon where the fastest times of the day were posted, then Corral. Finally, the "Wild Bird" got it's revenge on the Train.

A BIG "thankyou" to the **Hoosier Undertaker and Diputs** for preparing the lunch at our shoot. We enjoyed the brats, hots, burgers, and fixin's.

Our Next Shoot is September 19th
We will be shooting Six (6) Stages

DON'T MISS OUR LAST 2009 SHOOT
